This paper is to act as a receipt and spay/neuter contract. It is to prove that you, the buyer, has paid for said puppy described on this receipt. Permanent ownership of this puppy is contingent upon your compliance with this agreement. Proof of the spay/neuter surgery must be received by the purchaser (CHampagne Kennels) within fourteen (14) days after the surgery.

Most puppies can be spayed/neuter at 4 months old, or when they weigh more than 5 lbs. In the event that the dog's health does not allow this agreement to be honored, CHampagne Kennels must be provided with a statement from your veterinarian that this puppy is not yet in physical or emotional condition for surgery. Based upon the veterinarian's evaluation of this puppy the buyer (YOU) will contact the veterinarian and establish the earliest date that the procedure can be performed. The BUYER will notify the BREEDER (CHampagne Kennels) of this amendment in writing (CHampagne Kennels 3325 113th St. E. Palmetto FL. 34221) at which time all other conditions of this agreement will apply and be enforced. It is the responsibility of the BUYER, not the veterinarian, to ensure that CHampagne Kennels has received verification that the surgery has been performed. Failure to comply with this agreement by the date below, unless otherwise agreed to in writing, will be considered a breach of the contract, and BUYER will pay to transport this dog back to CHampagne Kennels and will not be entitled to a refund.

Buyer must send veterinarian's proof of spay/neuter or invoice bill with the veterinarian's state license number and his/her signature for verification to CHampagne Kennels, as soon as the surgery has been completed and must be before the date listed below.

By my signature below, I agree to have this puppy spayed/neutered by no later than 6 months, or before ____/____/2014, and I understand that this spay/neuter agreement is an agreement that this puppy will not produce a litter of puppies either as purposely bred or by accidental breeding. Accidental breeding is considered neglect and the puppy/dog will be returned to the breeder and all puppies born from any breeding, accidental or otherwise, will become the property of CHampagne Kennels. You also agree that should puppy not be spayed/neutered that you will return said puppy back to CHampagne Kennels with no refund for purchase price, or that CHampagne Kennels has the right to seize said puppy back from the buyer.

Unfortunately we must include the following:

In the case of the puppy's demise on or before the above listed date, a written statement from your veterinarian must be sent to CHampagne Kennels, stating that the puppy has indeed passed away, and the cause of death. This is an unfortunate step but necessary. Also, in a perfect world we would like to have each puppy we place to stay in their original purchasing home. Things do happen, should you be unable to fulfill this contract by the above agreed date, you agree to contact CHampagne Kennels, in writing, phone or email and let us know BEFORE the puppy has been placed into a new home. We require first right to refuse, a right of first return or reclamation, that the puppy be returned to us if you cannot keep him or her before the above dates listed. You are not free to give the puppy away to another family member or anyone without receiving permission from us first.

This contract is still your responsibility to enforce in the puppy's new home, should we not receive conformation of the puppy's spaying/neutering by the above listed date, as the original purchaser, YOU will then be liable for the fines for breaching the contract.
