3. Puppies will be dewormed starting at the age of 2 weeks and continue till at time of shipping or pick up, and a normal deworming should follow as recommended by your vet. 1st shot will be given. Follow up shots and dewormings are the responsibility of the buyer. Any pup that develops an illness related to lack of shots or deworming will NOT be replaced. It is the responsibility of the new owner to keep up with all vaccinations.
4. Purchaser agrees to prove a safe home for their new pup and will not use the pup for any illegal activity. If at any time, the purchaser is found to be using the pup for illegal activity, CHampagne Kennels reserves the right to regain possession of the pup. We do not tolerate dog fighting, and WILL pursue legal action to regain rights to the pup.
5. A deposit is required to hold any puppy. Deposits are \$500.00 depending on the breeding. Puppies are required to be paid for in full by 6 weeks of age. If at 6 weeks of age the pup has not been paid for in full, you will forfeit your deposit. If you change your mind on a pup, your deposit may be transferred to any available pup at that time, (IF YOU LET US KNOW BEFORE 6 WEEKS OF AGE) however will not be refunded. Deposits are NON-REFUNDABLE.
6. If you are purchasing a blue coated pup, you should understand that blue coated dogs are more prone to skin and coat problems. We do NOT guarantee against skin or coat problems. We will not be held responsible for skin or coat problems that are common among dogs with blue coloring.
7. If at any time the purchaser can no longer provide for the pup, we will gladly accept the pup back. We do not want to see any of our dogs end up in shelters! By accepting or purchasing a pup you are signing our agreement, you understand that if at any time you cannot longer care for your dog, you WILL contact CHampagne Kennels. 941-306-7790
8. We do not guarantee against Hip or Elbow Dysplasia as these larger dogs are generally over 100 pounds and it is a Polygenic trait that is affected by environmental factors, (ie. feeding) as well as the fact that NO OTHER XL breeders are OFA testing their studs, there would be no way for us to breed to any outside studs with an official complete health tested line.... Although we do not breed dogs with Hip Dysplasia, the trait can pop up from a previous generation, and although not common, there is no way for us to guarantee perfect hips in these animals.... This is a risk buyer assumes and accepts as purchasing one of these sized dogs.
9. CHampagne Kennels reserves the right to include their kennel name on the puppy registration paperwork. All puppies purchased from CHampagne Kennels must keep their original paperwork and papers and names cannot be illegally altered.

10. Payments may be made with postal money orders, bank to bank wire, certified bank check, money gram, or western union . We accept deposits via PayPal but pup must be paid off with other means as PayPal charges a 4% fee.

12. ONLY TIME DEPOSIT IS REFUNDABLE If the breeding does not take, or the desired pick/ sex is not produced, WE DONOT GUARANTEE COLOR , color can change as late as 12 weeks or later and you make your pick at 7 weeks.

By accepting or purchasing this puppy you are signing this agreement, you understand what you have read, and understand that we do enforce this agreement 100%. You also understand that Deposits are NON-REFUNDABLE and may only be transferred to another litter or puppy.
